

SEATTLE PUBLIC SCHOOLS

SECOND AND THIRD GRADE  
QUARTERLY REPORT

of Kenji Omayanagita

Progress in school life depends upon satisfactory effort that results in the formation of useful habits. Each subject of study is followed by a list of the most important habits that children need to acquire to be successful in that subject.

School Beacon Hill Class 2 B

When entering a new school, this report should be presented to the principal.

## GROWTH IN HABITS AND ATTITUDES

This card is to show what we are trying to accomplish in subject matter and in habits and attitudes.

	1st Quar.		2nd Quar.		3rd Quar.		4th Quar.		
	Very seldom	Part of the time	Practically always	Very seldom	Part of the time	Practically always	Very seldom	Part of the time	Practically always
