

With You in Thought

*Deep Sympathy
goes to you
at this time*

Dear Mary:

This note is long overdue
but only because I just recently
learned of your sad loss.

It was a shock + surprise
to me to learn you had lost
your mother.

While I only met your mother
briefly I enjoyed the occasion
& found her a most congenial
person.

Mary I feel very sorry for you.
Please accept my sincere
sympathy. Bill

Thinking of you at this sad time -

Knowing how you must feel

And sending this note with sympathy

That's very deep and real

Bill Horton
