Dear Mrs. Mary Okada and Mr. & Mrs.  
Frank Watanabe & Family

Yesterday, Mr. S. Nishioka of New York City, on behalf of your family had conveyed to us very sorrowful news that your dear Mother had away on 25<sup>th</sup> of last month & The funeral service was held on 29<sup>th</sup> at the Flashing Funeral Home.

Indeed, we were greatly shocked because we did not know even she was ill. We remembered, in our season's Greeting Card to her, we wrote that we would like see her very much as soon as the weather is getting warmer.

But there is no answer!  
Your loss are ours. Please accept our deepest sympathy.

Love,

The Monimoto Family
