

With Sympathy
in the
Loss of Your Mother

Dear Mary,

May memories of your mother's love —

Your mother's tender care

Be with you now to help you face

The loss that you must bear

And may the very special wisdom

She imparted — all life through

Be exactly what is needed now

To help and comfort you

With our deepest
sympathy.

Saja, Arthur
& Diane

May memories of your mother's face
Your mother's tender care
Be with you now to help you face
The loss that you must bear
And may the very special wisdom
She imparted - all life through
Be exactly what is needed now
To help and comfort you
