Dear Mrs. Okada:

Today I received your lovely letter, and also, thank you very much for the picture of your dearat mother, you, and your pet-dog - Shannon. Your mother looks so healthy and happy. Indeed she was my sincere, good friend.

Well, I am very sorry to tell you, but Mrs. O. (Shigeno Aoki) was passed away - April 30-1970. I know she was the close friend of your mother. Her husband is the old and very weak as is recuperating at Seattle Camalecent Center during many years. After Mrs. Aoki died, her eldest daughter, Mrs. Shizuko Kitazuko is taking care of him. She often visits his father, so if you will write her, she will tell him. Her address is -

Seattle, wash. 98166.

Thank you again for the picture. I can not believe still now that she left this world. Enclosed please find a small sum. Please offer some flowers to her picture.

May God comfort and bless you and

Yours.

Sincerely

Z. Amano
