

With Sympathy
in the
Loss of Your Mother

To Mary and Frank -

May memories of your mother's love -

Your mother's tender care

Be with you now to help you face

The loss that you must bear

And may the very special wisdom

She imparted - all life through

Be exactly what is needed now

To help and comfort you

Mrs. Fuku Okabe

Mother & I were extremely
grieved to learn the passing
of your beloved mother.

Mother had wondered why
there had been no letter
from her for so long and
did not know whether she
had been ill upon her return
from Japan.

Please accept our sincerest
condolences.

Mother will greatly miss
a dear, dear friend.

Sincerely,
Mary & Frank

10.
