Dear Mary:

So many times, yes; you hear of
some one's life going away... saying
to yourself, it's rough, or it's tough,
but you know this one was Mary's
mother... The two letters we've
received told us a great deal of
your sorrow and grief, as well as
the tenderness and love you gave
your mother, knowing with care that
ultimately the end will come.

We can only say it's tragic and
sorry, with sympathy.

For now, the only healer is time.
Take care of yourself Mary...

If by chance you come this way
we have a spare room, so don't
hesitate to drop in.

(25.00) This is a taken gift which we
hope you can add toward your
Mother's Memorial.

Thank you for letting us know.

Yours truly
Nobu Moto
