Tanforan assembly Center,

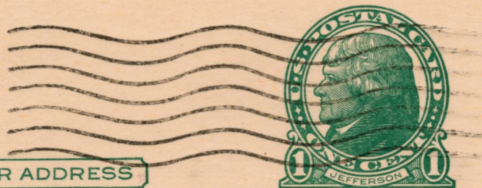

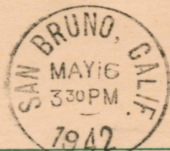

Dear Rev. Angles -

San Bruno, Calif.

Thank you for all your kindness before we left Berkeley. We heartily appreciate all that you did for us. We are all well and becomingly adjusted to this rough camp life. Food has definitely improved and we are very glad about it.

We here in camp all join in hope for a world-wide peace and shall we not all Pray to that end.

Sincerely,  
Deigo Sato
