Dear Mr. & Mrs. Ingalls
& Family,

Today was made a great deal happier
by your visit to our camp. Friends
from the outside are always welcomed
by us. The visiting hours are from
10 to 4 P.M.

From George aki, I have heard that
we must work out an ordination
service. This is the set-up.

Moderator	—	Mr. Ingalls Swartz
Clerk	—	Dr. Burr
Charge to the ministers	—	Dr. Koper
Ordination Prayer	—	Dr. Parker
Sermon	—	Dr. Gitt
* Charge to the congregation or people	—	Dr. Reidenbach
Benediction	—	George aki Mas Wakai.

* In regard to this, we are in an
abnormal situation so we want your
opinion about it. We should have
something like it & not to leave

Please convey my heartfelt
congratulations. Their sweet messages
about me ^{missing my} absence have been
appreciated. The evening program
as printed was interesting, too.
Please tell my young people to
continue with the Pilgrim
Beltwork spirit. I am glad to
know of their progress from
time to time.

At camp I'm working 6 days
a week & feeling quite well &
spite.

Coolidge also sends his
regards.

Please thank Bob for the
engraved four twin pen. I use it
quite frequently in the
Spring dept.

I'm still for Plymouth,

Tanfan
greetings to the
staff.

Thanks for the
little stool you
brought for me.
I'm a babe a hope to find one.

it out entirely. What do you think
of the speakers? Any suggestions
or additions will be appreciated.
A copy is being sent by George
Aki to Dr. Gill.

We hope to be ready with the
necessary papers by next Monday.
Bring them along, we'll try hard
to join the examining committee.

I will appreciate the use of
a Congregational manual before
our exams & two copies of
the Pilgrim Highway -
April & May issues of 1941.
They contain the history of our
Cong. Denomination. I've asked
D. J. Dant to send them to me &
will be returned again.

Please tell the P.F. young people
that I was happy to hear of their
wonderful success in presenting
their plays & the nice profit
for their fund for the summer
conference. Mrs. Price & the cast certainly
did an excellent piece of work.

P.S. Do you want us to ask 3 men
outside, the examining committee
to testify for us on car we choose
any three from this camp -
preferable from the Indep. Church?

The gage cable was as to expectation.
Hope we could have had more.
