Dear Rev. Inglis:

Please accept our very belated  
thanks to you all for your many  
generous gifts for our Nursery schools.  
you can't imagine how <sup>much</sup> we appreciate  
your thoughts and all those useful  
gifts. We now have two Nursery  
schools going very smoothly and are  
planning to open another one very  
soon. Almost all of our equipment  
is obtained from our many friends  
so they are truly heaven-sent  
for we really started from scratch.

We hesitate to bother you, but  
may we ask a big favor of you?  
I understand that Miss Cothead is  
away so could you kindly ask  
someone to do some shopping for us?  
(I think, most of the following items  
may be obtained at the 5+10¢ stores)

- (1) 6 pkgs of Thumb-Tacks
- (2) 3 pkgs of 3x5 ~~of~~ cards.
- (3) 6 sets of index cards.
- (4) 6 card-board file boxes (recipe boxes)
- (5) 25 pounds of Patten's Clay

We have a small fund for the Nursery  
schools which friends have contributed  
for our work so will you kindly  
enclose a bill for the above items.  
I certainly hope this won't be too  
much trouble.

Thanking you again for everything -
