Dear Reverend Inglis:-

Thank you very much for your immediate
reply to my letter.

I expect to be released from my present
work on July 31, 1942, and probably will
join my family at Taqnia Assembly Center, if
no other plan can be worked out. I would
appreciate greatly any information you will
have in the future in regard to possible
work in the field of social service that
may be available outside of the Western
Defense Command.

Will you kindly keep in touch with me
and address all letters % Mr. and Mrs.
Walter Grossbeck, 2528 Melvia St. Berkeley,
California. They will forward my letters
to me wherever I may be.

Thank you for your earnest help and
cooperation.

Yours very truly,
(Miss) Hideko Nakazawa
