Dear Rev. Ingles:

My family and I are  
among the members of the  
Japanese Independent Congregational<sup>Church</sup>  
who have left our cherished  
possessions at your church for  
storage. We shall always be  
grateful to you and your  
helpers for such kindness in  
this time of need.

and getting along well.

Looking forward to the  
peaceful time again and with  
much gratitude to the kind  
people who are helping us,  
I am.

Most sincerely,  
Mitsuko Doi Mizote

We have also left seven boxes  
we'd asked you to send to us when  
we call for them.

Would you start sending all  
of those seven packages now? Anyway  
convenient to you will be quite  
all right for us. We are ready to  
pay for delivery charge in any way.  
They all do not have to be sent  
at once, but one or two at a  
time will be satisfactory.

Thank you most sincerely.  
I hope that you and your  
family are all in good health
