

Gidley, Calif.

June 14, 1943

Dear Mr. Tokuda -

Received your letter yesterday. I am referring it to Mr. Shanks. Of course you know they handle the buying + selling of the equipment here -

May Tsuda told us you folks were in Utah. There is some fine garden soil there - but the climate isn't like Calif.

Best regards to your family. Things on the ranch are fine this year. no tomatoes though

Sincerely

R Ruster
