Dear Mr Pakela

Recd your  
letter of April 9<sup>th</sup>. I thank  
you enclosed letter to  
Dr Scott and brought  
your ridges to my place.

Dr Scott bought a  
new ridge and he said  
Mr Murphy would  
use his so I would  
not have to return  
your ridge until I  
was finished with it.

I would like to  
keep your ridge here  
until I am through  
with it this fall, as  
it is very hard to move

back and forth.

I would <sup>like</sup> buy or rent  
your ridges. I will take  
care of it and keep it in  
perfect shape.

Do you mind if I have some  
discs put on the markers  
at my expense?

I told Dr. Scott I thought  
I would be through with  
it about Sept 1st. but  
if it is ok. with you would  
like to keep it until fall.

Thanking you for  
allowing me to use  
your ridges.

Please let me know  
if it is ok to keep it here  
until fall and if it is ok  
to fix markers.

Yours truly J.R. Wetzel
