Mrs. C. Takeda,

W.R.A. Tule Lake,
California.

Dear Mrs. Takeda:

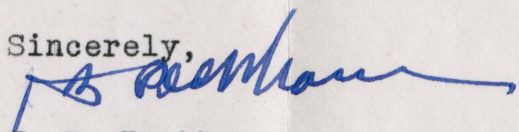

Thank you for your check. It was quite sufficient. I thought I would not charge anyone a fee while they were away on this vacation, but I was glad to receive it at the time. Christmas is always a time of great expense and not especially joyful for the person who must furnish the spending money.

About the farmall tractor, it has not arrived yet. I have written the James Mills Orchard Co., at Hamilton City asking them to hasten the delivery. I expect my letter to get definite results this week. Dr. Scott sent me \$550.00 for the Ford and Chevrolet which I have deposited to your credit in my trust account. Your taxes have been all paid.

I am now alone in my office. My son, Mr. Lean and Mr. Scorsur have all joined the navy and this morning Mr. Del Mutolo goes to the Court House to be Judge.

My best wishes to the family.

Sincerely,

J. B. Peckham.
