Weather Report

Fair Tonight and Tomorrow (we hope) but can expect occasional squalls and irregular dampness for the next ten months.

Storiette

(Reprint from Issue Three of The Family News)

In early pioneer days, there was a tribe of friendly Indians whose hunting grounds were in Eastern Wisconsin. The Chief was a brave warrior and a great hunter and had six stalwart sons. But his yearning was to have a little girl to brighten up the old wigwam after a hard days hunting.

So it came to pass, that his squaw announced the prospective arrival of another papoose, and the Great Chief was very jubilant in expectation. And when the great day arrived, all the braves gathered in front of his wigwam to hear the glad tidings. In due time the Great Chief appeared before his braves and grunted, "She boy-'gan!"

Thus in memory of the Great Chief who-wanted-a-girl, Sheboygan, Wisconsin is named.

Norman Bruce Arrives on Schedule

Milwaukee, Wis., June 21, 1946—Norman Bruce Sakura made a scheduled stop on the "Stork Limited" today at 4:08 P. M. piloted by Dr. William Hilger. On arrival at St. Mary's Hospital, he weighed in at **seven pounds** and **15 ounces** and in the pink of condition. He will stay indefinitely with his parents and three brothers.

COINCIDENTS

On checking up with the calendar, it appears that it is coincidental with the longest day in the year, the birthdates of Grampa Kondo and Aunty Rae Nakamura. Also on checking with the calendar, Pop was discharged from the army nine months and two days ago!

SUSAN RAE

We have been expecting and hoping for a visit from Susan Rae but she sends word (again!) that she couldn't make the trip possible. With the definite suspension of the publication of The Family News, it appears that she may postpone her arrival until the next generation.

—Ye Editors.

LATEST ARRIVAL AHEAD OF SCHEDULE!

Wickenburg, Ariz.--Aug. 6th-- by phone-
Jon David and Tina Sakura arrived here this morning but not without incident. They stayed in Las Vegas Wednesday night enroute to Tucson and left at 2 AM because of the intense heat of the day. They reported rough roads and about 6 AM, Tina had a bursted water bag and soon after labor pains started. They were sixty miles from the nearest, as it turned out, hospital. What a way to start a Fourth Generation family! After a hectic last stage drive, Dave finally reached the Wickenburg Community Hospital--with a deep sigh of relief!
With an induced labor, a baby boy 6 lb 11 oz was born at10:30 PM. Mother and son doing well. Father doing well. GrandPoP and GrandMoM doing well. GrandMoM will leave for Arizona Sunday to arrive at the hospital in time to take over when Tina and unnamed as yet child leaves the hospital Tuesday. Dave plans to proceed to Tucson to make preperations in housing and will arrive back Tuesday to take his new family for the next episode. GrandMom plans at least a two-weeks delightful visit.
