Mr. Nathan D. Grenell  
[REDACTED]

Dear Mr. Grenell:

We want to thank you for your faith promise card of September 13th by which you have notified us of your faith promise of \$100 per month for the work of the Africa Inland Mission under the direction of Dr. and Mrs. Chester Sakura. We deeply appreciate your interest in Chet and Monna. An official receipt will be sent to you later for the enclosed contribution of \$10.

When you send your next contribution, please send the contribution record portion of the receipt that you will be receiving soon. The pre-recorded information there helps us more quickly to identify you, the donor, as well as the missionary and permits us to process your gifts more quickly and accurately. When we do not receive the contribution record, we must go to our files and look up the necessary information, since the computer only acts on the basis of the information being entered with each new gift.

May the Lord richly bless you for your faithful stewardship in prayer and in gifts.

Sincerely in Christ,

Geraldine E. Vincent (Miss)  
Assistant Candidate Secretary
