Dear Sharon,

Enclosed is a biographical sketch, as per your request. As I indicated previously, my travel schedule may require my cancellation at the last moment. However, I will make every effort to keep the week of February 8-12 (and especially February 12th) open.

I will bring along the usual display of internment scenes for your use. Finally, I am looking into the possibility of securing a copy of some tapes of the Commission hearings held in Boston and other cities.

If you require any more information, please do not hesitate to call me.

With best regards,

Yours very truly,

J. David Sakura
