Dr. David Sakura

Dear Dr. Sakura:

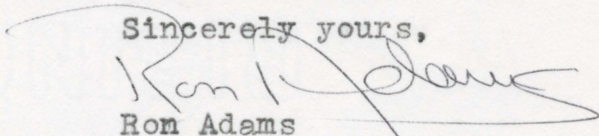

The New Hampshire Council is very excited about having you as a speaker for our fall conference. At our recent planning meeting, members expressed the feeling that this would really add a thought provoking dimension to our fall conference.

As for some of the particulars of the conference, we would like you to be our guest at lunch which starts at 12:30. Your presentation would run from about 1:30 to 2:15. We certainly invite you to take part in any other sections of our program as your schedule allows.

Directions to the Highway Hotel in Concord-traveling North on Route 93, you would take exit 14 (the Bridge St. exit to Route 202 and others). At the end of the exit ramp you will turn right (at a light) and then take your first left. (map included)

I appreciate very much your willingness to change your schedule to fit our conference date and look forward to seeing you on November 4th.

Sincerely yours,

Ron Adams
NHCSS
