

JAPANESE AMERICAN CITIZENS LEAGUE  
NEW ENGLAND CHAPTER

P.O. BOX 548 CAMBRIDGE, MA. 02138

October 27, 1981

Mr. Harry K. Honda, Editor  
Pacific Citizen

Dear Mr. Honda,

I am writing to inform you that the CWRIC will most likely be holding hearings at the Harvard University campus on 10 December 1981. The members of the New England Chapter of the Japanese American Citizens League and its Redress Committee (Kei Kaneda and Eji Suyama, co-chairpersons) have been very active in a lobbying effort to encourage the CWRIC to hold hearings in New England.

My business plans call for me to be in the greater Los Angeles area the week of November 1st to 8th. I should very much like to meet with you or with Peter Imamura during that period and to provide you with a firsthand account of the Redress activities of the New England Chapter. If either you or Peter are available, please leave a message at the home of my brother (Dr. N. B. Sakura, Palos Verdes Est., CA) during that time.

I shall look forward to meeting with you at that time.

Yours very truly,

J. David Sakura, President
