Re: Planning Meeting:

Tuesday, March 11, 6:00 p.m.
Cambridge Friends Meeting Parlor
(Move upstairs after bag supper
if necessary to an assigned room)

From: Kei Kameda, Co-Chair for
1st Meeting for Renew Education
(Meeting for General Planning)

Following last Sunday's meeting, several asked if we could meet at 6:00 p.m. to facilitate an earlier return home as some will be staying after work in Cambridge or coming from other points there. This will be a trial at this hour. If we can find homes in which to have steering committee meetings, we may revert back to the 7:00 time.

Please bring a sandwich bag lunch. Tea will be served at Friends Center. We would like to start promptly at 6:00 so if you cannot come at that hour, would you please notify K.K. at [redacted] the evening before or between 5:00-5:30 p.m. that day. (I hope to be back by then at that number. Otherwise at Center tel- [redacted] under Society of Friends.)
