Dear Mom and Pop,

Happy New Year! I hope this letter finds you in good health and that you'll have many, many years to enjoy it.

What a way to spend New Year's. We were out in the fields hauling lumber into piles. We had a lot of fun though. The sergeant who went with us was a nice guy and we loafed around more than we worked.

Thiro and I are going over to the Service Club after dinner to have a New Year's Dinner.

We went to see Bing Crosby and Betty Hutton in "Here Comes the Waves". It sure was a funny movie.

I hope I don't keep you waiting
too long for my letters but
I can't help it. I have to bring
the letters down to the branch
post office because we can't
mail them in our own box.

Six more boys are leaving
pretty soon but we are not
going yet. I guess we'll be here
for a spell yet.

We're going to the show so
I'll write more tomorrow

Jad
