Dear Mom and Pop,

I received a letter from you today. It's glad to like the picture I sent you.

We went on a log detail again this morning. We chopped trees and came back at noon. We had to clean up the company area this afternoon. We're taking it easy tonight. I'm going to read after I write this letter.

Of all the luck, Shind & I are on KP tomorrow. Oh, well, I think we'll ship out next week so it's OK.

I don't have much to write tonight so I'll write more tomorrow

Dear Mom and Pop,

I had K.P. today so I didn't go anyway. Anyway, it rained all day today so it's OK. We didn't go to the show because it's still raining. I'm not mailing this letter because it's raining and I don't want to walk all the way down to the P.O. to mail it.

I don't know for sure but I guess we will be leaving for home during this week. Probably around Friday or Saturday.

I don't have much to write tonight so I'll write again tomorrow

Dear Mom and Pop,

They just told us that we could send letters out today. What a laugh!

We sure took it easy today. We went on a detail to finish putting the touches on a practice grenade course. Only the lieutenant didn't know what was supposed to be done, so all we did all day was ride back and forth on the truck. We didn't do a single bit of work all day today.

I'm table waiter tomorrow so I don't have to go out on detail.

We didn't go to a show for a couple of days now. So Shiro and I are going to see "Winged Victory" tonight.

By the way, Shiro and I are going to get our fur coats at the same time. We found out yesterday. We don't know when they'll

Maybe I'll get home before this letter
reaches you. I don't think so because
it'll take me around 4 or 5 days to
get home.

The weather today was very good,
although we had a cold wind.

I'm going to take a shower and get
ready for the show so I'll write more
tomorrow

Yad.

Be seeing you soon
