Dear Mom and Pop,

I received two of your letters today. I also received the family paper that you sent me because I missed the papers for a few weeks. Steve and I are reading them now.

We went out to the woods to make a grenade course. For a change we had to work because today we had a different sergeant and we had to work.

I have day room orderly so I don't have to go out. It's quite a easy job. All I have to do is keep the day room or the room we play in (recreation room) clean. That's all I have to do all day.

I don't have very much to write today, so I'll write more tomorrow.
