Dear Mom and Pop,

Just finished eating dinner. We went to get extra clothing this morning and that was all. I don't know what we're going to ^{do} this afternoon but it'll be easy.

We have inspection tomorrow and if every thing is OK Steve and I are going out tomorrow afternoon and Sunday.

I'll write more tonight.

7:30 PM

Hells again. I went to the barber's tonight to get a hair cut. Boy, did they cut it short. My hair looks like a open book.

We didn't do very much today. Tomorrow is a half a day so we might go to New York this week end.

I don't have much to write so I'll write more tomorrow. Maybe I'll write from New York
