Dear Mom and Pop,

Well, here I am in Washington D.C.
We (Shirley + I) came here yesterday afternoon.
We're staying at the United Nations
Service Center. It's a big hotel that
was bought by the USO for enlisted
men. Boy it's really a swell hotel.
It's right in the middle of the
city and government buildings are
all around us. The Capitol is
about 2 blocks away. We can see
it from our room.

We had a hard time finding rooms.
We didn't know about this hotel
so we first tried the hotels downtown
but all were filled up. Finally a
taxi cab driver told us about
this place so we came here.

Our room is really nice. Twin
beds and private bath. Our room
is all light blue and the bath
room is pink.

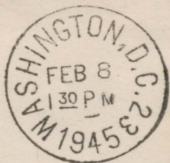

Well, Shins just got up and
we're going out to eat so I'll
write more when we come back.

We have to be back at camp
Friday at 11:00 P.M.

Well, more later

Tom
