Dear Mom and Pop,

The letters don't come in regularly so I didn't get any letters from you yet. I'm kind of worried about the wire. I didn't get the money yet.

I have tonight and tomorrow morning. We walk guard two hours and we're off four hours. We walk guard 6 hours so it isn't too bad. I already finished two hours. I just came off.

We had inspections this morning and this afternoon we went over to the guard house.

I don't have much to write today so I'm making this letter short. I hope you don't mind.

I'll write again tomorrow
