Dear Mom and Pop,

I'm on guard starting tonite and up till tomorrow noon. Our whole tent pulled it. It isn't bad because we walked guard two hours and get off four.

We didn't do much today. We took showers this morning and then loafed around.

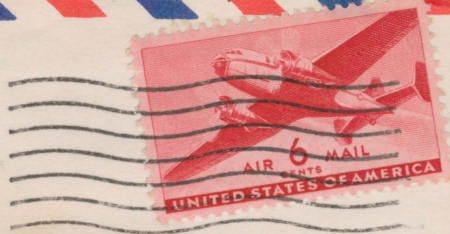

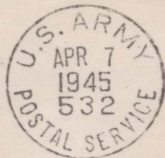

In the afternoon, the company went out on a hike but we didn't have to go because of guard.

Jakesti left yesterday morning so I didn't see him off. I might see him later on.

This is about all today so I'll write again tomorrow
