Dear Mom and Pop,

I hope you received the paper I sent and the money too. The paper might take longer to reach you.

I walked guard last night from 5 to 7 PM and from 11 PM to 1 AM. Then from 5 AM to 7 AM and 11 AM to 1 PM. After that I was finished.

My friend and I got two five gallon cans and filled it with water. We then went to the back of the tent and took a bath. I poured the water on him and he on me.

After that we went out to the field and took a sunbath all afternoon.

I'm going to the chow again tonight. That's about all you can be around here.

This is about all for today so
more tomorrow
