Dear Mom and Pop,

I think we may move today. I'm not sure. If we don't move today it'll probably be tomorrow. I went into town last night and my buddy bought a bracelet so I bought you one too. It's pretty, I hope you like it. I'm trying to find a camera for you but it seems every one wants one too. If I find one I'll send it to you. I'll send the bracelet as soon as I wrap it up. The bracelet is gold (or supposed to be) and it has gold lacing worked inside of small linked beads. Something like this

the inside is lace

Well, you'll know what it looks like when I send it.

I'll write again tomorrow
