Dear Mom and Pop,

I had a nice time in Brescia yesterday. I went with another boy in the squad. We went into all the shops and looked at everything. I wanted to get you something but couldn't find anything that was nice. I still love that bracelet I bought for you. I'm just too lazy to mail it. I hope you're not waiting too anxiously. You'll like it - it's not too gaudy and it has fine workmanship.

I bought some Jerry stamps for P. Alan. I hope he likes them.

The squad has to play for Memorial Service today so we'll be busy.

I saw Bot this morning. It was early so he looked sleepy. He looks OK though.

Well, see tomorrow
