Dear Mom and Pop,

I received four letters from you today, also two yesterday and one from Joni and one from Bill. I also received two packages. One had magazines and pineapples and olives and cordy and the other had raisins, socks and can peaches. Thanks a lot the socks are really swell. There were much better than I'd thought you could make them. Thanks again.

I got a picture a friend of mine took of us we were in Bresein so I'm sending it home. Send one to Joni, will you?

We had nothing to do so we went in to town again today.

I think summer is coming on. It's getting pretty hot there past few days.

I'm all out of words today. I'm writing a request so you can send me something.

I REQUEST you to SEND ME MAGAZINES.
O.K.?

I'll write again tomorrow
