Dear Mom and Pop,

I'm sorry I didn't write yesterday. I was busy helping sort out the P & R rations. I got two letters the day before yesterday and two yesterday. Most of the letters reach me in eight to ten days. That's pretty quick. John is back from guard so I see him all the time. I saw Bot this morning. He was over at mess camp, to get something so I talked with him. He said to say hello to you. Jack did too.

We do the same thing every day so I don't have much to write about. I hope my letters aren't too long.

Well, this is about all for today so more tomorrow

Jack
