Dear Mom & Pop.

I just got off the train and am writing this letter from a USO club in Memphis, Tenn.

I hope you received the other letter I sent you.

So far we passed through Colorado, Texas, New Mexico, Arkansas, Oklahoma to Tenn., where we are now. I'll write to you again when I have the chance.

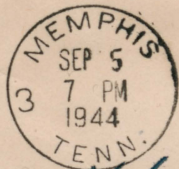

I feel swell, and I'm not bored any more. We all sing every day in the train. My friends are waiting, so I'll say so-long for a while

Pat.
