Dear Mom and Pop,

I guess you saw my new address. Well, it's not permanent. You see, the food left for Milano or Milan yesterday but our ~~Commander~~ Commander said to leave a small dance food behind so me and two other boys stayed. We're too small to stay by ourselves so we're in the service company until the food comes back about a month from now. Our group is to play for officer's dances and such. We're still waiting for a drummer, guitar and bass player.

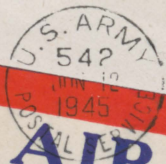

I'm enclosing a picture of John and Chester Fukubara. Chester is sitting on the car and John is on ~~the~~ right.

Well more tomorrow

John

You might be interested to know that the service company is the quartermaster of the 442. They handle the food and equipment.
