Dear Mom and Pop,

Get that return address. I'm a private - first class now. I guess it's a good time. I've been moving around so much I guess that stripe didn't catch up with me.

I'm going to Las Vegas every day as usual. I'm sending some shots I took when we were back at Davis.

Boy, am I getting lazy. I don't do a damn thing all day and at nights I just go to the movies.

That hat you sent me is sure nice. Everyone envies me.

Well, now ~~your~~

Yach

By the way, I got one battle star on my ETO ribbon for the PO Valley campaign.
