Dear Mom and Pop,

I do the same old thing every day - guard the prisoners. Of course, it isn't hard work but it gets pretty boring. I went to Seglorn last night with Mitras and Juh Juhope to see a movie. Two trucks left so we went on with it.

The weather is pretty hot these days, but it's nothing like Utah because we're next to the sea. Anyway, we're living under tall pine trees so it's pretty cool all day.

There isn't too much to write about. Oh, yes, you asked whether you should send the sweater to me. You better hold on to it because I don't need it yet.

More tomorrow -
Juh
