Dear Mom and Pop

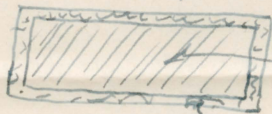

Well, the war is officially over.
I'm glad every thing is over now.

I went down to Pisa yesterday because
my pay didn't come down. I got \$98.40
this time. You see, I had about \$30 for each
pay coming to me for my combat fadge.

Oh yes, when I went back I got my
Distinguished Unit Citation. No raise
for this one. I got it for being with the
2nd Battalion in the PO Valley campaign.

It's looks like this

It's a square shaped thing. The middle

part is pure cloth

gold and the frame is

This is a faint the actual size. You wear it
over the right breast and the combat
fadge over the left.

I'm glad to hear that the ration is
over Jack home. Pretty you'll be able
to get anything you ~~want~~ want like before
the war.

I saw Jack when I went back to
the company. He said that Bot was
over in the morning and was ~~surprised~~
surprised that I was going to school.

Well, this is a fact all for now
so more tomorrow

Jack
