Dear Mom and Pop,

I just came back from horse pack riding. I had a fence jumper today. He wanted to jump every fence he saw. He was a nice horse though. He doesn't trot smooth but he runs very nice.

I still haven't received any letters lately. I hope I get some soon.

Toine there's going to see a movie in camp. I don't know what the name is.

I did the usual things today. I went to the Hospital and treated some horses with a tumor in the eye and then a horse with a infection on his front leg.

I'm getting to be a regular doctor,  
I sure would like to see a operation  
but so far there weren't any.

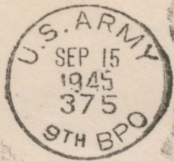

I read in today's paper that meat  
and shoe ration will be over soon.  
I guess by the time this letter reaches you  
it'll probably be over.

Well, this is about all today so  
I'll write again tomorrow -  
God
