Dear Moon and Pop.

I still haven't received any letters. I think I'll get them in a batch one of these days.

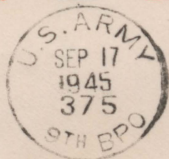

Last night, a couple of boys and I had a jam session. There was one guitar, a accordion and me. I had a lot of fun. I sure wish I had my trumpet here. The coronet is O.K. but a trumpet is better.

This afternoon I went out and fired my pistol again. I had lots of fun with it. I hope I can get this type of cartridges back home.

There isn't much to write about today, as usual, so more tomorrow.
