Dear Mom and Pop,

How's everything going? I'm still at remount waiting for my orders to go back. I think I'll be back around Monday. The captain said if I wanted it, he'll come and get me. I'll see him today while I'm getting my mail.

You know about the lighter fluid. Well, I got four cans yesterday at the PX so I won't need any for a long, long time.

I went out in the fields yesterday morning and had some target practice with my pistol. I put some cans out and I was shooting at them. Lots of fun. The only thing I don't like about it, that you have to clean the pistol after you finished firing.

We're going over to our companies
to pick up letters and then we'll
go to a movie. Just like any Saturday
afternoon back home, eh?

I met Shig Imai (you have some snap
shots of him) the other day. He was
surprised that I was still going to
school. I'd like to see John and Chester
but I don't know where they're at.
Maybe I'll meet them at the movies.
I haven't seen Bob for a long time
either. I hope he's going to go home
soon.

Well, I'm going out and play
badminton no more tomorrow
