Dear Mom and Pop,

I just finished eating. We had rice so we in our tent had "zori" with it.

About 40 ~~per~~ service company left for home today. Now, I may get my chance for promotion, I hope.

Guess what! I'm going to Switzerland tomorrow. Yep, I'm on a vacation again for about 10 days. Just keep writing because they'll hold my mail for me.

Those gloves you sent come in handy now because I drive every morning to Leyhorn around 5:30 AM and it's pretty cold.

I haven't received any letters from you for a couple of days. Things are slow during Christmas rush.

I'm sending a request again.
I hope it's O.K.

I REQUEST You To SEND
ME SOME MAGAZINES.

When I go up to Switzerland,
I'm going to get a watch. I can get
a good one pretty cheap so I better
get one while I have the chance.

We're allowing to take up just a
limited amount of money so if I
have any left over I'll try and
get one for Jo-Ann. You have a
nice watch already so I hope
you don't mind. Now this is only if
I have enough money left over.

Well, I'll write again tomorrow
before I leave
