Dear Mom and Pop,

I got two letters from you today. One says you'll send me \$20 but I'm leaving today for Switzerland so it's too late.

I'm leaving before at 5:00 PM for Milan. Another guy from here is going with me. It's going to cost a lot of money. It's \$35 for the whole trip including the train fare, food for one week and board. Then we can take ~~\$20~~ of \$45 (200 francs) for spending money. I'll be gone for about 11 days. I hope I can get a watch. It costs around 80 francs (a good one).

I'll see if I can get you some thing up there.

We're going to go all over Switzerland. The trip

is all ready planned. We go to
different places by train, bus or
boat and stay a couple of days
and then we move on.

well, I'll trip from Switzerland
if I can —

Jack
