Dear Mom and Pop:

I went after the movie this afternoon and then I got a haircut.

I received two letters from you. I have your new address so don't worry. As long as I have Mr. Schump's address, I won't have to worry.

There isn't much doing. The same old stuff. I'll send some snapshots I took as soon as they're ready. It takes a long time to get them back.

You're sending a request. You keep telling me to send them so here's one.

I REQUEST YOU TO SEND ME SOME MAGAZINES
FOR ANDY.

See if you can find me something different to send.
