

I'll write the request below. I don't think that jacket will weight over five pounds.

I REQUEST YOU TO SEND ME MY
SKI JACKET AND A SCARF.

Well, that's all for the business part.

It's going to be pay day pretty soon. I wonder how much I'm going to get this time. I don't have much left after that Switzerland tour.

How did you like the pictures I sent?

Do you think our little dog is cute? We call her "Jing". She's getting spoiled all ready.

Well, enough for today so I'll sign
tomorrow
