Dear Mom and Pop,

How's things going with you? Me, I'm just fine. Not much doing these days. I don't mind though.

I showed a movie ast night. We saw "Captain Kidd". It was a pretty good movie even if I say so myself. I don't know why but your letters are sure taking a long time to reach me.

I went to see John the other day, but he wasn't in. I'll see later though.

I have a favor to ask of you. Are cigarettes still hard to get? If it isn't, please send a couple of cartons. I want to sell them to the Italians. I can get \$25 a carton for them. Send some popular brand like Camels and Luckies. I'll write the request below.

I have a picture taken of me at the remount when we went riding. I'll send it to with this letter. It didn't come out very good but at least you can see the horse.

I'll write the request here.

-I REQUEST YOU TO SEND ME SOME MAGAZINES AND CIGARETTES.-

Did you see Tak Yatabe yet? What is he going to do now?

Well, this is about all for today so more tomorrow,

Tad
