Dear Mom and Pop

I received two packages from you yesterday. One had magazines, candy, and a pair of socks. The other had a jar of "ju-nin" and magazines. Thanks very much. I was hoping I'd get a package and by a golly, I got one.

We're going to have whole pig for New Years. It's going to be cooked Hawaiian style. It should be pretty good.

I found out yesterday that because of the bad weather all the mail has been delayed coming over seas. I guess my mail takes a long time to reach you too.

By this time Ot should have visited you. I guess you found him changed quite a bit. I know I did when I first saw him over here. Well, you don't have to worry about me because I'm lazy as ever.

We went to the movies again last night and we saw "God Is My Co-Pilot." It was a very good picture. I guess you saw this one a long time ago because it was a old one. when I say old I mean a few months old. All our movies are pretty up to date.

Well, this is a part of for today so

more tomorrow
