Dear Mom and Pop,

I received 8 letters from you today. I sure was happy. The letters really take a long time to reach here. All of them were dated around the 20<sup>th</sup> of January to the second of February.

Well, we finally got a clerk in the office here so I can take care of the job Jim really supposed to do. My job is Special Services for Service Company. I get all special items like radios, movies, and other special items for this company.

Boy, I was kept pretty busy during the past few days taking inventory of all the items on hand. I finished everything today so I'll have a little time. I'm taking a day off tomorrow. I'm going to just loaf around and take it easy. I went horse back riding last Sunday morning. My Shima Sakas and I went. We had a lot of fun.

The package you said you received sure took a long time. I hope you get the other package by the time you get this letter.

I have some more pictures I send  
to you. I hope you like them.

I'm sending a request for some  
magazines and stuff again.

I REQUEST YOU TO SEND ME SOME  
MAGAZINES AND CANDY.

I hear that San Francisco isn't the  
same these days. I hope by the time I  
get home, things will start changing.  
The cities all over the States must be the  
same.

The weather out here is getting better  
every day. We have clear skies and not too  
cold. It can get a little warmer to  
suit me.

Well, this is a part all for today as  
more tomorrow —  
Jack
