Dear Mom and Pop,

I'm recieving your letters quite a bit now. I guess the ships are coming in more regularly now days. I hope it keeps up this way. I got threee letters you today. I recieved three the other day, too.

Today was the last day that the regiment see's the training film, so I shouldn't be too busy after this. Maybe I can catch up on my own work now. They keep me too busy, I think. I don't work hard, but I have to chnase around to different palces too much.

I didn't get packages rom you for a long time. I hope I get some soon. The post man says that packages take a long time now days.

It rained for the first time today in a long while. It's nice weather now, though. I guess we'll have goodweather now, but you can't ever tell about this Italian weather.

Well, this about all for today, so I'll write more tomorrow,
