Dear Mom and Pop,

I received a letter and a package from you yes today. The package had two packages of "yo-kan", a can of "sen-tee" and lots of magazines. Thanks very much. Everyone is complaining because the mail is so slow.

I made a fox today so I'm sending you two foxes I bought. One is a jewel fox and the other is a fox shaped like a foot. Please save the one that looks like a foot for me.

I met John at the PX the other day. I told him to come around one of these days.

I'm taking the medics place along with my other job because the medic went to Switzerland. I took it because I was the only one in the company who knew enough to put the drugs. I just treat the light cases and the serious ones go to the medics.

over at the regiment.

It's still raining today. We've had
raining days continuously now. I hope
it ends soon.

I'm sending another request for the
cigarettes. You might need another request.

I REQUEST YOU TO SEND SOME
MAGAZINES AND CIGARETTES

I hope everything is back
home. I guess Bert and John is getting pretty
settled by now. I wish I could say
that too.

I'm getting to be sort of a curiosity around
here. Most of the combat men are home
and there's only a very few men around who
wears the combat jacket.

Well, this is a part of the today's
more warrior
